<b>Action D.1</b>	Monitoring of Actions E13 and E14
<i>Description (what, how, where and when):</i> (max. 10.000 characters)	
<p>The actions E13 and E14 provide an important opportunity to measure the impact of the project on key stakeholders, assessing their understanding of the Habitat Directive at the beginning of the project and evaluating the degree of implication and raising of awareness at the end of the project.</p> <p>To conduct this monitoring KAI will include an interview in both workshops of Action E13 which should address key questions about stakeholder's preceptions, concerns and interests with regards to Natura 2000.</p>
