

<b>Action E.12</b>	Project Close
<i>Description (what, how, where and when):</i> (max. 10.000 characters)	
<p>The MTCE will organise an event marking the project's closure by the end of April 2016, when the proposed pSCIs have been approved and designated, thereby marking the completion of the project's main aim.</p> <p>The MTCE will be handling the organisation and the logistics of the event including booking of venue, sourcing equipment and organising the catering for the event. MTCE will also be issuing the invitations in consultation with MEPA. MEPA will assist MTCE on the presentations and the media work.</p> <p>This event will be the final dissemination event, illustrating the objectives of the project, its aims and actions, and presenting its results officially to the attendees.</p>	
<i>Reasons why this action is necessary:</i> (max. 2.000 characters)	
<p>The main aim of this action is to present the project and its results while promoting the conservation of the species and the co-operation between member states and the EU's prioritisation on these protected species.</p> <p>This action is also important from a public relations point of view. It will help to disseminate and publicise the project's results and further generate interest in the protected areas designated, acting also as a token of appreciation of the participation and cooperation from the public and other relevant stakeholders.</p>	
<i>Beneficiary responsible for implementation:</i>	
MTCE
